### Hello!

This half term has flown by! We hope you all have a lovely half term holiday next week and we will see you back in pre-school/school on Monday 26<sup>th</sup> February ☺

### Transition Mondays

Our recent meet ups on Monday's have involved lots of singing. We have enjoyed learning new songs, especially the song 'where did the pancake go?' See if your little one can sing it to you at home.

### Independent Skill of the Month

Children find it easier to undo their clothing to go to the toilet and often need guidance when fastening back up.

#### **Pre-School:**

Can your child attempt to manage their clothing, including buttons, fasteners and zips after going to the toilet? Work towards less adult support being needed.

#### **Reception:**

Can your children independently manage their clothing, including all buttons, fasteners and zips, after going to the toilet?

### Internet Safety

As devices are now a huge resource of the modern world, children are becoming more tech-savvy than ever. To ensure children stay safe when using their tablets or iPads (if they have one!), this story on Youtube provides key, age appropriate messages to reinforce internet safety. Have a watch/read at home.

### Things to do during half term

**Storyhouse** in Chester have some lovely free activities on during half term next week. These include Doodle Day, Rhyme time and storytelling sessions.

All information is on the link below
